Council Fear Highway 3 Location May Divide Town

Council expressed concern at its meeting this week when it was learned that the proposed location of the new four-lane highway 3 through the Crows Nest Pass might divide Coleman in half, and could possibly bisect Grafton Town in the north-east part of Coleman where council have been looking with a view to expanding the town.

Councilman Ted Kryzka, Coleman representative on the Old Man River Regional Planning Commission, reported to council that he had objected to the location of Highway 3 at the Commission's recent meeting in Lethbridge.

Schedule for the town's new water monthly rates include schools, \$3 per month; hotels, \$3; cafes, \$5; motels, \$1.50 per unit; service stations, \$7.50; coin laundry, \$3.50. All other commercial establishments not listed will be charged \$3 per month.

Auditor Alex Wells of Blairmore, presented and read the financial statement showing the town to have ended the year in the black with a surplus of \$3747.44.

Town foreman Rudy Szymanski advised that the installation of sewer service lines under the winter works projects has started. Work on the drainage plan scheduled for West Coleman, will start as soon as the culvert pipes arrive.

Councillor John Bindu advised

that an emergency evacuation of the Crows Nest Pass Municipal Hospital will be held on February 19 under the direction of the Crows Nest Pass Emergency Measures Organization.

The annual library report was presented by Councillor Mel Corneil after which council approved a grant of \$400 for the Community Library.

A preliminary study of the town's gas system is to be conducted by the Caproo Corrosion Prevention Limited prior to their treating the gas lines to prevent inside corrosion.

In conjunction with the town's upgrading of utilities program 24 new luminaire mercury vapor lamps will be purchased and installed during the year. Consideration is also being given towards installing an automatic chlorinator at the town dam.

A re-plot scheme to re-subdivide the land along the Kananaskis highway in the vicinity of the Forestry Ranger Station, north of town, was approved.

MR. and MRS. JOHN POXON

of Coleman marked their Sixtieth Wedding Anniversary January 18.

To celebrate the occasion a family supper was held at the home of their son-in-law and daughter, Mr. and Mrs. Albert Fauville, attended by over 25 members of the family and close friends.

The couple was presented with a purse of money on behalf of the family, by Mrs. Poxon's brother, Fred Hirst.

A two-tiered wedding cake, made and decorated by Mrs. A. Fauville, centered the supper table.

The couple were married in St. Philip's Anglican Church in Sheffield, Yorkshire, England, January 18th, 1908.

Mr. Poxon came to Coleman in October of 1922, and was followed by his family the following year, and have resided here since with the exception of a few years in Vancouver.

Mr. and Mrs. Poxon lost a son Walter on September 18, 1950. A daughter Mrs. Albert (Betty) Fauville resides in Coleman, and another son Thomas resides in Seattle, Wash. The couple has nine grandchildren and six great grand children.

Mr. Poxon, 79, and Mrs. Poxon, 78, are enjoying good health.

New Queen Crowned

Miss Patricia Ann Bowman of Coleman, was crowned Honored Queen of Bethel No. 4 Job's Daughters, by Past Honored Queen Chris Upton, also of Coleman.

The installation ceremonies were conducted in the Masonic hall in Frank recently by installing officers Hazel Hurtak, Guide; Helen Richards, Marshal; Karen Dingerville, Senior Custodian; Jay Beaton, Junior Custodian; Janet Baher, Flag Bearer; Mrs. C. Cooper, Chaplain; Mrs. Helen Marcolin, Musician; and Mrs. Geraldine Montalbetti, Recorder.

Officers installed include: Senior Princess, Carol Stella; Junior Princess, Wendy Bowman; Guide, Leslie Brown; Marshal, Donna Ironmonger; Chaplain, Lynn

Watson; Treasurer, Linda Cervo. Recorder, Susan Cartwright; Junior Custodian, Heather Cargill; Senior Custodian, Susan Collings; Librarian, Patsy Stella; First, Fourth and Fifth Messengers, respectively, Linda Colwell, Vaili Giacomuzzi and June Bowman; Inner Guard, Carrie Lord; Outer Guard, Gayla Costanzo.

A banquet supper concluded the event during which time Bethel Guardian, Mrs. Margaret Fauville was presented with a birthday cake and gift from Job's Daughters.

Former Journal Editor-Publisher Awarded Medal

(Lethbridge Herald)

PORT MACLEOD (HNS)—Nearly 60 years in weekly newspaper work in Saskatchewan and Alberta was recognized recently by the awarding of a Centennial Medal and certificate to H. T. Halliwell, now living in retirement in Port Macleod.

During his 21 years as editor and publisher of The Macleod Gazette, he became widely known for his forthright and often controversial editorials.

Born in London, England, he went at the age of 19 to South Africa to serve in the Boer War.

In March, 1903, he emigrated to this country to Saskatchewan, and in 1913 purchased the weekly newspaper in Estevan, Sask. After spending two years in Weyburn, he moved to Coleman in 1927 and purchased The Journal.

In 1940 he took over the Macleod Gazette. The paper was awarded a trophy by the Alberta Weekly Newspaper Association for the best editorial page for papers of that class (1,000 to 2,000 circulation).

Upon retirement in 1961, special tribute was paid to him by the presentation of an award of merit from the Town of Port Macleod and the local Chamber of Commerce.

He is an honorary life member of the COWNA and the Royal Canadian Legion. He received his 50-year jewel and subsequently a 10-year bar from the Alberta Lodge No. 3 of the Masonic Institution. He is a member of the Anglican Church of Canada.

Mrs. Janet Thornton, Age 84 Years, Passes Jan. 28

Mrs. Janet Mabel Thornton passed away in a Calgary hospital on January 28, 1968, at the age of 84 years.

She was born in Pakenham, Ont. on October 1, 1883, and the McClinton family moved west in the early 1900's to Yellowgrass, Sask., where they homesteaded.

She married her late husband George in Yellowgrass, January 13, 1913, and they moved to Bracknell, Sask., and to Hillcrest in 1927, where they resided since.

After the death of her husband George in 1963, she moved to Calgary to reside with a daughter.

She was a school teacher by profession.

She was predeceased by her husband George in Hillcrest in 1963 and three brothers, two sisters and her parents.

Survivors include two sons, Donald of Blairmore, Kenneth of Pincher Creek; two daughters, Mrs. Allan (Margaret) Barrington of Calgary, and Mrs. Charles (Marion) McIsaac of Vancouver; ten grandchildren and four great-grandchildren.

Funeral services were held in the Hillcrest United Church on Wednesday, January 31 at 2:00 p.m. with Minister Peter Walker officiating. Interment followed in Hillcrest United cemetery in the family plot. Fantin Chapels Ltd. was in charge.

J. Salus Returned As Chairman

John Salus of Coleman, was re-appointed as chairman of the Board of Trustees of the Crows Nest Pass School Division No. 63 at the January 22nd meeting. Mr. Salus was recently re-elected to the board by acclamation as a Coleman member of subdivision 1.

Great Hall of Blairmore subdivision No. 2, was appointed as vice-chairman and Alex Wells of Blairmore, was appointed auditor for the division.

A meeting is to be arranged with officials of the Department of Highways and the Department of Education to discuss the selection of a site for the new composite high school being planned by the division. Several sites are presently under consideration.

Since a new route for highway 3 through the Crows Nest Pass is said to be under proposal, the board felt the location of the highway should be disclosed before plans are completed for the location of the new school.

The division annual meeting will be held at the M. D. McEachern School in Bellevue on Friday, February 9th, commencing at 7:30 p.m.

Next year the meeting will be held in Blairmore (subdivision No. 2) and the following year in Coleman (subdivision No. 1) and then rotate.

Correspondence from Deputy Minister of Education, T. C. Byrne was received and advised the board not to tender on projects without the assurance of adequate financing.

Further correspondence received indicated that the new interest rates on all debentures will be 7 per cent per annum effective as of January 1, 1968, from the Alberta Municipal Financing Corporation.

Committees appointed at the meeting include:

Negotiations and Grievances, John Lloyd of Blairmore, Nora Goulding of Coleman and Joe Krywolt of Frank. John Lloyd will be the delegate to the Lethbridge Junior College.

The Works and Buildings committee for the Division includes Coleman subdivision No. 1, John Salus, Mrs. Nora Goulding and Mrs. Lorraine Aiello. Subdivision No. 2, Blairmore, John Lloyd and Grant Hall. Subdivision No. 3, Bellevue, Frank and Hillcrest, Joe Krywolt of Frank, and Veno Pooz of Hillcrest.

Approval was granted to rent the auditorium of the Coleman Horace Allen high school to the Coleman Legion, who will sponsor the internationally known "Ink Spots" in a three hour musical concert on March 19 starting at 8 p.m.

The second course in Driver Education will start on Thursday, February 1st.

To The People Of Coleman And Community

We, the Coleman Athletic Association, must contradict the Press statement in regards to the Parental Attendance at our Minor Hockey Games. Our local support is a disgrace.

Sunday, January 28 at 2 p.m. our Pee Wees played Bellevue. We had 14 parents from Down the Line and we had six from Coleman. This is a good showing when we have 20 players on each team.

Are you proud of YOUR child? Why not show him that you are and attend.

Due to the lack of support and our funds are getting low, we must hold another TAG DAY. Will you PLEASE support us and the kids? That is TAG DAY FOR MINOR HOCKEY FRIDAY, FEBRUARY 9th, with the kindness of the U.M.W.A. and the local Bank.

We must say THANK YOU to various individuals and clubs in this community for their support and thoughtfulness of your children, who have donated us NEW UNIFORMS. Coleman Elks, Bohomole Ranch, Coleman Volunteer Fire Department and Pep's Cafe, who donated two sets.

During Minor Hockey Week last week our Coleman Bantams, coached by Mel Taje, played the Blairmore Bantams and our boys pulled from a two goal loss to a 5-4 win. Also our Junior Pee Wees, coached by T. Collings and D. Berrass, played in Blairmore, and came home with a 6-1 win.

Last night our Coleman Midgets, coached by J. Troitz, sr., played Blairmore Midgets here in our arena, and were behind two goals in the second period, and rallied back with three goals in the third period to win 5-4. Do you think we are wasting our time? Every one of the coaches and assistant coaches are proud of our kids. Will YOU attend the games and help us to be just that much prouder of Coleman?

If you are wondering why we have to sponsor a tag day, why not come to one of our Coleman Athletic Association meetings and see where and how we are spending our money. Our books are open for inspection at any time and our meetings as well. This past summer we spent over \$400.00 on baseball alone, and hope to spend

more this year with your help and support.

Thanking you,
Coleman Athletic Assn.

Three Ring Circus Slated For Coleman

Clint Rasmussen, president of Coleman Lions Club, announced this week that final arrangements have now been completed to bring in the Hubert Gaudin International Three Ring Circus to the Crows Nest Pass.

Date confirmed for the big event of the year is Friday, June 28. There will be an afternoon and evening performance and times will be announced.

The three ring performance has 26 separate acts exclusive of the clowns and other features.

The Circus, rated one of the best on the North American Continent, will present lions, tigers, chimpanzees, elephants, as well as the world's youngest performing elephant.

Old timers as well as youngsters are looking forward to the Circus since it has been over 30 years when a three ring animal Circus visited the Crows Nest Pass area.

Arrangements are now being completed by the Lions Club for a location for the Circus, so that ample parking space will be provided for the large attendance that is expected.

Winners At Lions Bingo

Lions bingo winners were topped by Mrs. P. Rosio's \$100 win, while other winners at the event included:

\$12 each, Mrs. C. Velgrava, Ann Dorusuk, Mrs. Seimantovich, Mrs. Sara Richards, Josephine Mills, \$10 Mrs. T. Cunningham (twice), Mrs. E. Rivard, Sofie Lepacek, Isabelle Spievak.

\$5 each, Mrs. M. Horvath and Mrs. Pisony.

The next bingo on February 14 will feature five \$10, five \$12, a \$100 to go plus a \$25 six number bingo as well as other games according to attendance.

Coleman Oldtimer, Mrs. Ethel Raymond, Passes Jan. 29

Mrs. Ethel Raymond (Morris) passed away in the Crows Nest Pass Hospital January 29, 1968.

She was born in Fairfax, Wash., U.S.A., September 21, 1901, and she came to Fernie, B.C., with her parents in 1902, moving to Coleman in 1906 where she has resided since.

She married her husband in Coleman on June 16, 1919.

She was of the Catholic Faith. Predeceased by her father Adam Morris in 1944 in Coleman; three brothers, Jim overseas in 1944, Alex in a Coleman mine explosion in 1936, and a brother in infancy.

Survivors include her husband Isadore, of Coleman; her mother, Pauline of Coleman; one son, William of Blairmore; one daughter, Mrs. H. (Esther) Ash of Coleman; 11 grandchildren and three great-granddaughters; two sisters, Mrs. M. (Helen) Sampson of Dominion, N.S., and Mrs. Steve (Edna) Ondrus of Coleman; one brother, Adam in Coleman.

Prayers were said in Fantin's Coleman Chapel at 8 p.m. Friday, February 2nd. Solemn Requiem High Mass was conducted at 10:30 a.m. Saturday, February 3rd, with Rev. Walter Krowicki of Coleman, Rev. David Andrews of Blairmore and Rev. Denis Fleming of Calgary as celebrants.

Interment was in Coleman Catholic cemetery, Fantin Chapels Ltd. was in charge.

Forest Guards Plan Draw And Tea

The Coleman Girl Forest Guards are making plans for their annual summer camp and will be holding several events to raise funds for this project.

The Guards are presently sponsoring a draw for a transistor radio, which will be drawn for at a pie social and tea slated for April 6th. This event, to be held in the St. Paul's United Church club rooms, will also feature a sale of Easter novelties and handicraft, made by the young ladies of the group.

Radios in automobiles account for 42 per cent of all radios produced in Canada in 1966 compared to 35 per cent portable battery sets, the second largest classification.

that an emergency evacuation of the Crows Nest Pass Municipal Hospital will be held on February 19 under the direction of the Crows Nest Pass Emergency Measures Organization.

The annual library report was presented by Councillor Mel Corneil after which council approved a grant of \$400 for the Community Library.

A preliminary study of the town's gas system is to be conducted by the Caproo Corrosion Prevention Limited prior to their treating the gas lines to prevent inside corrosion.

In conjunction with the town's upgrading of utilities program 24 new luminaire mercury vapor lamps will be purchased and installed during the year. Consideration is also being given towards installing an automatic chlorinator at the town dam.

A re-plot scheme to re-subdivide the land along the Kananaskis highway in the vicinity of the Forestry Ranger Station, north of town, was approved.

**Action Started To Keep
Sisters In The Pass**

Disclosure recently that the Sisters of St. Alphonsus Convent may leave the Crows Nest Pass has flared up an interest and a meeting of concerned persons, was held in the Blairmore school offices.

Representatives of the schools, Crows Nest Pass Municipal Hospital, Churches, the Family Service Bureau and other groups were present.

The meeting outlined the needs of the community with regard to the excellent work the Sisters are doing throughout the Pass.

It was recently announced that the Sisters might be taken from the Pass as there is a great need for the Sisters all over the country. Many of the smaller communities will lose the Sisters.

Some of the reasons the Sisters are being taken out of certain communities is to give the Sisters a chance to further their education in various fields so that they can finance their own operations.

A letter is to be sent to Mother Teresa Ryan, Superior General, at Bethany, Antigonish, Nova Scotia stressing the definite and urgent need in our community that the Sisters can meet in regard to the professional services by the groups previously mentioned.

The needs for specific professional services include one or two opportunity class teachers (classes will be small) with a maximum enrolment of 15 or so. One will be required for Blairmore and one for Bellevue. One science and mathematics teacher is needed for senior high school and one music teacher to work at all grade

band levels (band, choral and individual needs qualification preferred).

The letter also indicates that it is the hope of the community that the nursery school training presently given will be continued to be offered to the area. If qualified teachers were available this program could be offered in the other towns of the area and be a full day operation. (Application forms will be enclosed in the letter showing a salary scale and a rough draft of the information sheet for the school area).

The Crows Nest Pass Municipal Hospital indicated that there is urgent need for one operating room nurse and openings for other Reg.N. personnel is likely available.

The Family Service Bureau stated that one professional social worker is required and since the Preventative Social Service Act is under consideration by the Alberta Government at the present time, the local Bureau could not give any particulars regarding salaries and other data.

The letter, signed by all representatives of the committee members, requests that the Mayor or Council will give her thoughtful consideration to the needs of the area and keep the Sisters working here to serve the community.

**White Cane Week,
Feb. 4 to 10, 1968**

The Canadian National Institute for the Blind and the Canadian Council of the Blind, two organizations representing the sightless citizens of Alberta, have asked me to speak for them on this, the opening day of White Cane Week. This year the slogan for White Cane Week is "Meet The Blind In Action". This is not an appeal for funds nor for sympathy but rather a request for understanding and co-operation.

The CNIB, which in 1968, celebrate 50 years of service to blind Canadians, suggests that you can help by judging each blind person you meet on their ability and not on their disability. The Canadian Council of the Blind which has been the voice of blind Canadians for many years, requests the sighted public to encourage our visually handicapped citizens to take a more active part in community and organizational affairs.

The desire to be more active was clearly demonstrated during our Centennial Year when 88 clubs associated with the Canadian Council of the Blind sponsored projects to help restore sight to the blind of emerging countries.

Improved legislation and institutional services have helped advance the status of many blind people and we can now meet them in action in universities, in business, in social agencies or just as neighbors.

Wherever we meet them, let us be ready to assist them, keeping in mind however, that they too are capable of giving.

GRANT MACLEWAN,
Lieut.-Governor of Alberta.

**Even Protestants
And Catholics
Have Changed**

Very often the picture that some carry of Protestants is one of Bible thumping anti-Catholics, who mount attacks with great regularity on the Church of Rome.

How true is it?
No one could honestly say it has never been true, nor, for that matter, could you say that there has never been any anti-Protestantism in the Church of Rome.

Of course there has.
But times are changing.
The fact is that a new age has dawned. We are all finding that

for Christians to be against each other is foolish. The Parish of St. Louis-de France, a new French Catholic congregation being formed in Toronto, discovered that many of the old ideas about Protestants must be revised. They have been worshipping regularly in a United Church. Parkwoods United Church in Don Mills, until they are able to build a Church of their own.

Catholics saying Mass in a Protestant Church? Father John, the Priest in charge of the parish, says: "We are very happy with the arrangement, we feel that we are welcome, and it is working out very well."

Of course both the United Church people and the members of the Parish of St. Louis-de France have to make sure that they get to Church at the right time. There are three Masses and two United Church services each Sunday. Some have come at the wrong time! Rev. Campbell, the United Church Minister, is even getting used to being called Father! Well, he does have two boys!

**New Immunization
Program Commences**

All Health Units and City Health Departments in the Province of Alberta have been issued a new vaccine.

The vaccine is known as QUINT Vaccine and contains, Diphtheria, Pertussis, Tetanus, Polio and Measles antigens.

This vaccine is available to all infants at all regularly scheduled baby clinics within the Chinook Health Unit area.

In conjunction with this vaccine a Monovalent Inactivated Absorbed Measles vaccine is being offered to pre-school children previously immunized against Diphtheria, Pertussis, Tetanus and Polio.

This vaccine is given in a single dose followed by a single dose of Live Attenuated Measles Vaccine.

As well as inaugurating this new program, the Chinook Health Unit will be giving booster doses of Oral Polio (Sabin) vaccine to all adults. Any adult who had two doses of the Oral Polio Vaccine in 1963, should come to clinics to receive this maintenance dose of vaccine. It is recommended that a booster dose be given every 5 years to maintain full immunity against Poliomyelitis.

POLYESTERS:

Polyesters were developed primarily for competition. Producers wanted a competitor for nylon. TERYLENE was the first to appear. When DuPont obtained the patent, they produced the United States equivalent which is called DACRON. Beunite Fibres markets their polyesters under the trade name VYORON. Celanese Fibres Company, FORTREL, and Eastman Chemical Products, KODEL. From abroad we find DIOLEN and TRE VIRIA, both from Germany; from Italy comes TERITAL; from France, TERGAL, and from The Netherlands, TERLENKA.

It all adds up to confusion on the consumer market. Not so, if you remember that they are all POLYESTERS. And they are big news this year in the textile field in the form of double knit fabrics.

What do they offer you, the consumer? The resistance of this fibre to sunlight and its sheerness and crispness combined with dimensional stability make this one of the most desirable of all fibres for glass curtains. Of all synthetics, it is the easiest to wash and to dry. It is widely used in blends with natural fibres for all kinds of fabrics, particularly those giving durable press finishes (35 per cent cotton, 65 per cent polyester, very popular). Dacron-wool mixtures (particularly 55 per cent wool, 45 per cent Dacron) have developed into the most widely

used fabric for men's high quality summer suitings. Here the permanence of crease retention, resistance to wrinkling, the ability to wear-wrinkles to hang out overnight, and the coolness of the fabric make it very acceptable for suits and slacks.

Polyesters are used alone or with rayon and cotton in lightweight fabrics for all sorts of wearing apparel. In 100 per cent form, polyesters can be electrostatic and thus are objectionable to some wearers. Due to the build up of static electricity, napped surfaces pill. KODEL resists pilling.

Polyesters have industrial uses as well. They also have invaded the sports and recreation field. Sails and ropes of DACRON are vastly superior to cotton both in durability and ease of handling.

The same polymer used to produce fibres can be cast as transparent film. Marketed under the name of NYLAR, it is most widely used in the sandwich construction of today's metal yarns. You won't find it available to the household as a wrapping film as it is virtually impossible to tear or break the film. The film is used in a twisted form in outdoor furniture and cordage. It is also used in photographic film.

Flexible polyester tubing is used in surgery to replace natural tubular structures such as arteries. Mesh construction are used to reinforce damaged tissues. These uses emphasize the non-allergic nature of POLYESTERS.

Increased Payments Go To Pensioners

OTTAWA — All persons receiving retirement pensions under the Canada Pension Plan, or pensions and Guaranteed Income Supplements under the Old Age Security Act, at the end of 1967, will receive increased payments this month (January). These increases are the result of the two per cent rise in the Pension Index, announced in the House of Commons by Health and Welfare Minister Allan J. MacEachen last

fall.

Beginning this month, some Canadians will benefit from this process of updating pensions under the Canada Pension Plan. It is estimated that as many as 40,000 retirement pensioners under the Canada Pension Plan will be affected by the end of 1968. In addition, about 1,360,000 persons will receive increased Old Age Security pensions, while an estimated 800,000 of these Old Age Security pensioners will gain from rises in their Guaranteed Income Supplement payments. The Department of National Health and Welfare administers benefits under these programs.

Mr. MacEachen noted that persons who qualify under the Canada Pension Plan for retirement pensions in 1968, or for survivors' benefits which become payable for the first time in 1968, will receive slightly higher amounts than would otherwise have been the case. Persons who qualify for Old Age Security pensions and for the Guaranteed Income Supplement for the first time in 1968 will also receive larger amounts than they would have received under previous arrangements.

Because of the two per cent rise in the Pension Index for 1968, Old Age Security pensions are to be increased from \$75 to \$76.50 per month, and the maximum under the Guaranteed Income Supplement will rise from \$20 to \$20.60 a month, thus producing a maximum combined OAS-GIS benefit of \$107.10 monthly. Increases in the retirement pensions of the Canada Pension Plan will equal two per cent of the monthly amount paid in 1967, which varies in accordance with the contributor's pensionable earnings.

Recreation Director Is Appointed

Arnold Habetler of Kindersley, Sask., has been officially appointed as Recreational Director for the Crows Nest Pass. His duties will commence here February 12. Mr. Habetler, 26 years old, is married and has three children.

He attended high school in St. Mary's at Prince Albert, and received his third year Province of Saskatchewan Youth Agencies certification course in Recreation Administration.

He was community centre supervisor for the city of St. Albert for a period of time and also attended the University of Saskatchewan Teachers' College. While in Kindersley he was employed as Parks and Recreation director.

Mr. Habetler was selected from nine applicants who made application for the position.

Elks Name Bingo Winners

Mrs. Tiffin was the lucky winner of the \$100 cash jackpot at the Elks bingo, and Mrs. Edith Clarke and Mrs. Teleana Newton of Bellevue, each won \$50.

Other winners were: \$10 each, Mr. Stelmahovich, Josephine Mills Bert Bond, Margaret Roughhead, Rose Lant, Henry Zak and Ella Barnett.

\$12.50, Anne Hartak of Bellevue. \$10 split by Anne Topak, Teleana Newton and Mrs. Pierchala, and \$10 split by Dora Kroll and Mrs. M. Pisony.

The next bingo will be held on February 9, and will feature a \$200 cash jackpot in 52 numbers.

"Canmore Corridor"

The Hon. H. A. Ruste today announced the Department of Lands and Forests agrees in principle with the recently released report on the "Canmore Corridor".

The "Corridor", located west of the Stony Indian Reserve near Calgary is bounded on the west by Banff National Park and on the north and south by the Bow River and Crows Nest Provincial Forests.

Since World War Two there has been great interest by the public to obtain and develop public lands.

Covering such items as Present Land Use and Ownership, the report suggests areas to be set aside

for such uses as Guest Ranches, Wilderness and Provincial Park extensions, Industrial Sites, Indian Paintings, Tenting, Douglas Fir Sites and Pigeon Mountain Skiing plus an airport and future development.

"Basically," Mr. Ruste continues, "we accept the recommendations in the report, insofar as it relates to public land use within the corridor. However, some of the recommendations in the study refer to areas controlled by the Eastern Rockies Conservation Bd. and the report will be referred to them for comments."

"The report is a fine administrative tool which will assist the department in co-ordinating public land uses and development throughout the area."

The report was started two years ago by the Calgary Regional Planning Commission at the request of the Department of Lands and Forests. A preliminary study was completed in 1966 with the final report issued in 1967.

"Since the department agrees in principle with the report," adds the Minister, "all future dispositions of public land will generally follow the recommendations of the report."
